MESSAGE FOR IN-PERSON ATTENDEES

**TRANSLATIONS: Spanish translation of the meeting shall be provided to anyone who so desires. Please
advise the secretary seated next to the Superintendent at the dais.**

**SPEAKING AT BOARD MEETINGS: The public is encouraged to speak to the Board on issues of concern
whether or not the issue(s) is/are on the agenda. To address the Board, please complete a Speakers
Card (available at the entrance) and give it to the secretary. If you wish to speak to the Board on a**

subject listed on the Agenda, you will be called to the podium at the time that item is being considered by the Board. If the item is not on the agenda, you will be called to the podium during Oral Communication. Public comments are limited to 3 minutes per person per topic, unless otherwise noted.

CHANGES OR ADDITIONS TO THE AGENDA: Consent Items are voted on simultaneously with one motion and are not debated or discussed by the Board. The action indicated on each item is deemed to have been considered in full and action will be taken as worded in the item. If a Board Member or the Superintendent so requests, any item can be moved in order or removed entirely from the Agenda. If you want to discuss an item, please let us know with a Speakers Card before we change the Agenda, so we can keep it out of Consent Items.

ELECTRONIC DEVICES: Please turn the sound off on all cell phones, pagers, and other electronic devices, to avoid disrupting these proceedings.

ONLINE BOARD PACKETS: As of March 2011 we no longer produce printed board packets. Any member of the public may access board documents at: <https://go.boarddocs.com/ca/redwood/Board.nsf/Public>. If you want to follow along during the meeting and are inside the board room, you may utilize our Wi-Fi network: "rcsdguest" (no password required).

COVID-19 SUGGESTED GUIDELINES FOR IN-PERSON ATTENDEES

- Wear a well-fitting mask that covers the nose and mouth without gaps while in the building.
- Maintain physical distancing of six feet apart from non-household members while in the meeting.

Those who do not meet the suggested guidelines listed above are encouraged to participate remotely through Zoom.

Recommended Action It is the Administration's recommendation that the School Board approve the Facilities Use Agreement with Rocketship Redwood City Prep Charter School ("Rocketship") for use of space at the former Hawes Elementary School for the 2023-24 school year.

Rationale: The terms of Proposition 39 and its implementing regulations (Ed. Code, § 47614; Cal. Code Regs., tit. 5, § 11969.1 et seq.) determine the process by which a charter school requests allocation of reasonably equivalent District facilities for use by the charter school, based on the charter school's projected Average Daily Attendance (ADA) of District-resident students.

Pursuant to Proposition 39 requirements, in its preliminary proposal, the District offered Rocketship the use of space at the former Hawes Elementary School, with no changes in the allocation of space for the 2023-24 school year. In its response to the District's preliminary proposal, Rocketship did not raise any concerns or disagreements.

After the final offer was accepted by Rocketship, the terms of a final Facilities Use Agreement were updated and finalized.

Financial Impact: Please refer to the Facilities Use Agreement.

Type Action

Recommended Action It is the Administration's recommendation that the School Board approve the Facilities Use Agreement with Connect Community Charter School ("Connect") for use of space at the former Fair Oaks Elementary School for the 2023-24 school year.

Rationale: The terms of Proposition 39 and its implementing regulations (Ed. Code, § 47614; Cal. Code Regs., tit. 5, § 11969.1 et seq.) determine the process by which a charter school requests allocation of reasonably equivalent District facilities for use by the charter school, based on the charter school's projected Average Daily Attendance (ADA) of District-resident students.

Pursuant to Proposition 39 requirements, in its preliminary proposal, the District offered Connect the use of space at the former Fair Oaks Elementary School, with no changes in the allocation of space for the 2023-24 school year. In its response to the District's preliminary proposal, Connect raised concerns regarding the condition of systems at the Fair Oaks campus, including problems the school has encountered with HVAC and electrical systems as well as problems regarding a gate on the campus. In the final offer of space, the District responded to Connect's concerns.

After the final offer was accepted by Connect, the terms of a final Facilities Use Agreement were updated and finalized.

Subject **12.16 Accept the Measure T Citizens' Bond Oversight Committee FY 2020-21 Annual Report**

Meeting May 24, 2023 - Board of Trustees Regular Meeting - 7:00pm

Category 12. Consent Items - 2 min

Access Public

Type Action (Consent)

Recommended Action It is the Administration's recommendation that the School Board accept the Measure T Citizens' Bond Oversight Committee Annual Report for FY 2020-21.

Rationale: On November 3, 2015 Measure T was passed by the voters and authorized the Board of Trustees of the Redwood City School District to issue up to \$193 million in general obligation bonds for the purpose of renovating aging classrooms and science labs for 21st-century learning and provide flexible classrooms and labs for science and other core academics; updating school libraries, classroom computers, and instructional technology at all schools; fix and replace deteriorating roofs, remove aging and unsafe portable buildings, and improve school fire and earthquake safety; replace old, outdated and inefficient electrical, plumbing, heating, and ventilation systems; and provide dedicated classrooms for music, art, and performing arts electives.

Pursuant to legal requirements, and as specified in the Full Ballot Text, the Board required that the District establish an independent Citizens' Bond Oversight Committee (CBOC) as a public accountability measure to ensure that bond proceeds are expended only for the school facilities projects described in the Bond Project List.

In accordance with the resolution passed by the Board, an independent Measure T Citizens' Bond Oversight Committee was appointed by the Board at its February 10, 2016, and March 23, 2016, regular meetings. From inception to the end of the 2020-21 fiscal year, the Committee met on fourteen occasions, with those during the 2020-21 fiscal year marked in bold:

1. November 3, 2016
2. March 2, 2017
3. June 1, 2017
4. March 1, 2018
5. May 31, 2018
6. September 20, 2018
7. November 15, 2018
8. March 21, 2019
9. May 30, 2019
10. November 21, 2019
11. March 5, 2020
12. May 28, 2020
13. **November 19, 2020**
14. **April 15, 2021**

All meetings are open to the public, and the primary focus is to confirm that Measure T bond proceeds are expended in a manner consistent with the original ballot language.

In September 2016, Series A of the bond authorization was issued, which consisted of current-interest bonds with an initial par value of \$60 million, with stated interest rates of 2% to 4% and maturing through August 2041. In March 2018, Series B of the bond authorization was issued, which consisted of current-interest bonds with an initial par value of \$67 million, with stated interest rates of 4% to 5% and maturing through 2040. In October 2019, Series C of the bond authorization was issued, which consisted of current-interest bonds with an initial par value of \$66 million, with stated interest rates of 1.8% to 4% and maturing through 2041.

The Measure T Citizens' Bond Oversight Committee 2020-21 Annual Report was prepared by the committee chair, Michael Bolander, after the FY 2020-21 financial and performance audit was completed in March 2022 and reviewed by the Committee at its April 21, 2022 meeting. The 2020-21 CBOC Annual Report approval was to occur at the June 23, 2022 CBOC meeting. The June 23, 2022, CBOC meeting was canceled due to scheduling conflicts.

At the May 11, 2023 meeting, the current Measure T Citizen's Bond Oversight Committee voted to submit the FY 2020-21 Annual Report to the RCSD Board. The current committee noted that all current members of the CBOC were not members during the 2020-21 fiscal year covered by this report.

Of note by the committee members that drafted the 2020-21 Annual Report, "In summary, the CBOC wishes to report that, to the best of its knowledge, the District expended Measure T General Obligation Bond funds only for the specific projects approved by the voters, in accordance with Proposition 39 and outlined in Article XIII A, Section 1 (b)(3)(C) of the California Constitution."

Type Action (Consent)

Recommended Action It is the Administration's recommendation that the School Board approve Hoover Community School's Addendum to their 2022-23 Measure U Application.

Rationale: The Hoover Site Council met on April 5, 2023 and made recommendations for changes to their 2022-23 Measure U application. There is \$132,885 of carryover funds from 2021-22, so the Site Council voted to spend the additional funding on some one-time purchases that would add to the academic programs Hoover offers.

The following changes are proposed for Measure U for Hoover for the 2022-23 school year:

- Allocate additional funding towards field trips, especially for transportation costs
- Begin the purchase for the 2024-25 school year tech refresh now
- Allocate funding towards staff conferences
- Allocate funding towards flexible seating for classrooms and teaching supplies
- Allocate additional funding towards teacher MTSS planning and PD
- Allocate funding towards for Music for Minors for grades TK-2nd

All of the members voted to approve the recommendations via electronic vote. An updated application for Measure U funds is attached for review.

Financial Impact: Please see updated Measure U Addendum for details.

Meeting May 24, 2023 - Board of Trustees Regular Meeting - 7:00pm

Category 13. Action Items - 8 min

Access Public

Type Action

Recommended Action It is the Administration’s recommendation that the School Board approve a waiver of the requirement to have taken the California Basic Educational Skills Test, CBEST, to allow the employment of substitute teachers who have not yet taken this test for the 2023-2024 school year.

Rationale: The Redwood City School District is continually hiring substitute teachers throughout the school year to fill absences or provide coverage when trainings are scheduled for teachers. The District strives to hire teachers who have completed all requirements. In some cases, the District has been unable to find enough substitute teachers who possess not only a Bachelor’s Degree but also have taken the California Basic Educational Skills Test (CBEST), a requirement for the 30-Day Substitute Credential. The California Commission on Teaching Credentialing allows substitutes to be hired with a waiver called the CBEST Waiver.

Approval of this waiver will allow the District to employ substitute teachers who meet all requirements for the 30-Day Substitute Credential except for the CBEST in order to fill our acute need for substitute teachers during the 2023-24 school year.

Subject **13.2 Approval of Prop 28 Expenditure Plan for 2023-24 school year**

Meeting May 24, 2023 - Board of Trustees Regular Meeting - 7:00pm

Category 13. Action Items - 8 min

Access Public

Type Action

Recommended Action It is recommended that the RCSD Board of Education approve the expenditure plan for Proposition 28 funding for the 2023-24 school year

Rationale: Proposition 28, passed by voters in the fall of 2022, adds The Arts and Music in Schools— Funding Guarantee and Accountability Act to the California Education Code to provide a minimum source for annual funding to “supplement arts education programs” for pupils attending K–12 public and charter schools.

Beginning with fiscal year 2023–24, funds will be allocated by the California Department of Education (CDE) to each local educational agency (LEA). The distribution will be based on enrollment.

- 70 percent will go to schools based on their share of statewide enrollment.
- 30 percent will go to schools based on their share of low-income students enrolled statewide.

Wording from Prop 28:

Requires Funding Be Used Primarily to Hire New Arts Staff. Proposition 28 requires funding be used for arts education programs and requires schools to certify that these funds were spent in addition to existing funding for arts education programs. This may include a variety of subjects, including dance, media arts, music, theater, and various types of visual arts (including photography, craft arts, computer coding, and graphic design). The proposition also requires at least 80 percent of the additional funding be used to hire staff. (School districts and charter schools with fewer than 500 students would not have to meet this requirement.) The remaining funding could be used for training, supplies and materials, and for arts educational partnership programs. The California Department of Education (CDE) may approve requests from schools to spend less on staff. Schools will have three years to spend the funds they receive each year. CDE would reallocate any unspent funds to all schools in the following year.

Allows School Principals to Determine How Funds Are Spent. Proposition 28 requires the principal of a school site (or the program director of a preschool) to develop a plan for spending the funding they receive. The principal or program director would determine how to expand a site’s arts instruction and/or programs.

The actual amount of funding will be published by the Director of Finance in the annual May revision of the Governor’s budget. At this time, we have planned for the following distribution, based on information from School Services of California:

Proposition 28 | Arts Education Funding
San Mateo: Redwood City Elementary

School Name	Enrollment	Low Income	Enrollment Funding	Low Income Funding	Total Funding
Adelante Selby Spanish Immersion	582	355	\$66,030	\$29,874	\$95,904
Clifford Elementary	658	256	\$74,653	\$21,543	\$96,196
Garfield Elementary	528	468	\$59,904	\$39,383	\$99,287
Henry Ford Elementary	461	243	\$52,302	\$20,449	\$72,751
Hoover Elementary	695	592	\$78,851	\$49,818	\$128,668
John F. Kennedy Middle	663	337	\$75,220	\$28,359	\$103,579
McKinley Institute of Technology	287	221	\$32,561	\$18,597	\$51,159
Nonpublic, Nonsectarian Schools	12	4	\$1,361	\$337	\$1,698
North Star Academy	511	38	\$57,975	\$3,198	\$61,173
Orion Alternative	386	118	\$43,793	\$9,930	\$53,723
Roosevelt Elementary	655	401	\$74,313	\$33,745	\$108,057
Roy Cloud Elementary	628	73	\$71,249	\$6,143	\$77,392
Taft Elementary	326	273	\$36,986	\$22,973	\$59,959
Grand Total	6,392	3,379	\$725,200	\$284,348	\$1,009,548

Process:

District office administrators have met with each site principal to discuss the allocation of these funds and their priorities for staffing for arts instruction at their sites. The following recommendations for additional staffing were based on the Prop 28 guidelines:

- The funds were used for arts education instruction
- At least 80 percent of the funds were used to employ certificated or classified employees to provide arts education
- The funds were used to supplement existing funding for arts education programs

To ensure the newly funded positions supplement existing funding for arts education, and in consultation with site administration, the decision was made to focus on hiring or adding music and/or STEAM teachers (craft arts, computer coding, graphic design) to each school site

In consultation with each site and based on site priorities, the following positions are planned to be added for the 2023-24 school year:

Adelante Selby: 1.0 STEAM teacher
.5 music teacher (shared with Roosevelt)

Clifford 1.0 STEAM teacher
.5 music teacher

Garfield 1.0 STEAM teacher
1.0 music teacher

Henry Ford .75 STEAM teacher

Hoover 1.0 STEAM teacher
1.0 Music teacher

Kennedy 1.0 STEAM teacher
1.0 music teacher

MIT 1.0 STEAM teacher
1.0 music teacher

NSA 1.0 music teacher

Orion 1.0 STEAM teacher
.5 music teacher

Roosevelt .5 STEAM teacher
.5 music teacher

Roy Cloud 1.0 STEAM teacher
1.0 music teacher

Taft 1.0 STEAM teacher
.5 music teacher

School sites have made the determination to add site funding to the Prop 28 allocation, where possible, in order to be able to provide 1.0 full-time teachers (FTEs). The newly hired music teachers will supplement the districts' current itinerant general fund music program, allowing for more FTE music teachers. And, in the case of the priority schools, LCAP funding has also been added to ensure full-time teachers to allow unduplicated pupils access to these elective classes.

Materials for increased music (musical instruments, music storage racks, method books, chairs, mouthpieces, etc.) and Maker Space labs (3D printers, laser printers, micro bits, etc.) will be purchased from the Arts, Music and Instructional Materials grant. Materials requests are currently out for bid.

Finally, in accordance with Prop 28, districts must:

- Submit an annual board-approved report "in a manner determined by the Superintendent"
- Post how funds were spent on their websites

Financial impact: Prop 28 estimated funding: \$1,009,548

Type Action (Consent)

Recommended Action It is the Administration's recommendation that the School Board approve the attached interagency agreement(s) to provide education and training to credential candidates in a paid internship.

Rationale: RCSD welcomes credential candidates into our classrooms as they work to gain their certification as California teachers. Through this partnership, credential candidates gain valuable first-hand experience and RCSD is able to recruit teachers new to the profession. Seasoned mentor teachers are paired with new teacher interns and guide these new teachers through lesson design, implementation, parent teacher conferences, interactions with stakeholders, and assessments. New teachers gain an understanding of the depth and complexity of the teaching profession. The paid internship is part of the California Commission of Credentialing option for teachers pursuing a teaching credential.

Type Information

The Redwood City School District and Board of Trustees would like to recognize our District employees for their hard work and dedication to the students and families of Redwood City.

Classified: Classified employees are the backbone and support of our District. From the Groundskeepers, Administrative Secretaries, Office Staff, Custodians, Bus Drivers, Food Service employees, Librarians, Nurses, Para-educators, and Instructional Assistants to all the other classifications, these employees keep our schools running smoothly, facilities maintained, and students fed every day. RCSD’s classified employees support the education of our more than 6,500 students. The tireless efforts of each of our classified employees allow our students, families, and staff to thrive each and every day. We would like to acknowledge the work of our classified employees tonight and extend our gratitude and appreciation for all they have done and will continue to do in the future.

Certificated Teachers: Certificated teachers are responsible for the instruction and learning of our students. Whether our teachers are directly teaching students or are coaches in support roles, their influence on the success of our students is critical. A teacher makes a million decisions every day and is expected to be an incredible and consistent role model for students so they take risks in their learning, and show how to model good relationships and friendships through actions, tone of voice, and encouragement. They transfer the empowerment of learning to students every minute of every day. Their consistency of practice to make school a joyful, inclusive, and rigorous place to learn takes dedication, focus, and planning. Teachers also take on the role of nurse, parent, and mediator, among others. We want to take this formal opportunity to thank all of our teaching staff for their continuous work every day to further the success of our students.

Management:

Our management team is a remarkable group. The ability to run departments, programs, and school sites and to keep many balls in the air at one time while moving forward with our goals and objectives takes finesse and skill. Managing students' progress and success, family communication and education, and personnel matters takes time and coordination for a seamless experience for all stakeholders. There is so much behind the scenes that many people are not aware of such as monitoring situations, mediation, goal planning and implementation, and support for families that take coordination. From our Directors, Community School Coordinators, Lead Nurses, Administrative Assistants, Site Administrators, Occupational Therapists, School Psychologists, Coordinators, and Managers, we thank you for all you do for RCSD.

The collective effort needed by all of our staff to raise our children, and our students, and to give guidance to our families is remarkable. Thank you to all for making RCSD a great place to work and learn. The Redwood City School District would like to show our appreciation for these employees’ dedication with this Board acknowledgment.
